

This tiny architectural home is the perfect home. With its gable roof and large gable window in the living room, natural sunlight pours in, filling the interior with a warm, inviting ambience. The open kitchen and dining area provide plenty of room for entertaining. There are two bedrooms, a bathroom, and lots of storage. The living room has a custom-pitched ceiling, and the exterior is finished with metal tray and cedar cladding. It includes a small laundry room for convenience. This tiny home is a perfect blend of style and comfort!
